

Candy Whirley Emotional Intelligence Introduction

- Have you ever wondered why people PUSH your buttons?
- Would you like to be more PROACTIVE instead of reactive?
- Have you ever wanted to know how to calm your emotions with someone saying CALM DOWN?

If you answered YES you are going to be glad you are here today...If you didn't answer yes...you may be in serious denial!!!

- Has spoken in ALL 50 states as well as Canada, Seoul Korea and Africa
- She has a universal message, which has been well received by orphans, schools, factory workers, government, doctors, lawyers and business professionals
- Has owned her speaking business for 18 years
- Has her Master's in Management
- Is a writer and producer of several books and DVD's

She's a professional dancer:

- She's been dancing with her husband for 30 years
- She dances with her 3 grandbabies
- She dances with her 4 Kitties
- And... she teaches people how to dance through life while overcoming obstacles to friendly, effective and rewarding relationships!

Today she is helping us...understand how to ... **get off the rollercoaster with Emotional Intelligence!**
